PROFILE

I am a passionate Data Analyst dedicated to transforming raw data into meaningful insights that support smarter business decisions. I have strong experience working with tools such as Excel, Power BI, and SQL, and I'm skilled at building dashboards, reports, and visualizations that uncover trends and patterns. I take pride in my ability to clean, analyze, and present data clearly and effectively. Highly detail-oriented, analytical, and always eager to learn new techniques to enhance data-driven performance.
